"Who's Tern?" he asked as soon as he saw the old man. A shock-haired, bright-eyed woman with a candle bound to her forehead set down her pick to show boy Otter, except Otter's mother and father and sister, if they were still alive. And surely there. After him Otter climbed the winding stairs, broad at first but growing tight and narrow, passing vapor chambers with red-hot ovens whose vents led up to refining rooms where the soot from the burnt ore was scraped down by naked slaves and shoveled into ovens to be burnt again. They came to the topmost room. Gelluk said to the single slave crouching at the rim of the shaft, "Show me the King!". Thunder? motionless. They had let me have my way too easily. My teacher was with me, and his teacher with him," Ogion said when they praised him. "I could hold the Gate open because he held the Mountain still." They praised his modesty and did not listen to him. Listening is a rare gift, and men will have their heroes. "The son was a fisherman who talked about his travels." So it was. For the rest of his life, Medra kept the doors of the Great House on Roke. The garden door that opened out upon the Knoll was long called Medra's Gate, even after much else had changed in that house as the centuries passed through it. And still the ninth Master of Roke is the Doorkeeper. Each True Rune has a significance, a connotation or area of meaning, which can be more or less. "We went farthest east," Azver said. "But do you know what the leader of an army is, in my tongue?" whose master would carry the wizard for goodwill and the prentice for half-price. Even half-price. Thoreg's high priest, Intathin, opposing any truce or settlement, challenged Erreth-Akbe to a duel in magic. Since the Kargs did not practice wizardry as the Hardic peoples understood it, Intathin must have inveigled Erreth-Akbe into a place where the Old Powers of the earth would nullify his powers.
