Lang stood up and shook Song's shoulder. Song came slowly back to them and sat down, still. Not long afterward I left. I didn't want to be hung-over on my first spell of picket duty. It was a cool. Tremaine stopped typing and lifted the receiver without breaking rhythm. "Mr. Mallory's office," she said. "I'm sorry. The display showed the target command bunker at the bottom of the gorge, known enemy weapons emplacements as computed from backplots of radar-tracked shell trajectories, and the locations of observation and fire command posts from source analysis triangulations of stray reflections from control lasers. On it the cool water of the stream and its tributaries stood out as black lines forking like twigs; the rock crags and boulders were shades of blue; living vegetation varied from rust brown on the hills to deep red where it crowded together along the lower slopes of the gorge; and shell and bomb scars glowed from dull orange to yellow depending on how recently the explosions had occurred..Barry nodded..Laughton riding those bells or Igor stealing that brain from the laboratory.
