"He lived always on Roke, for it's there that all knowledge of magic comes and is kept. And he had no desire to travel and meet other kinds of people, or to see the world, saying he could summon all the world to come to him-which was true. A man unwilling to put himself under the iron control of a spell of chastity could never practice the high arts. He could be no more than a common sorcerer. Male wizards thus had come to avoid women, refusing to teach them or learn from them. Witches, who almost universally went on working magic without giving up their sexuality, were described by celibate men as temptresses, unclean, defiling, essentially wicked..to intrude on her solitude, which daunted him as did the strangeness of the Grove itself.
