Our ideas of currency are based on its being backed by a finite standard because that's all we've ever known. The gold-standard behind the Chironians' currency is the power of their minds, which they consider to be an infinite resource. Therefore they do their accounting with a calculus of infinities. You take something from infinity, and you've still got infinity left." He shrugged. "It's consistent. I know it sounds crazy to us, but it fits with the way they think".This was nice. Quiet. "You never asked me," Swyley answered over his shoulder.. along his shoulder. "Anyhow, why are we talking about this? You told me I had to stop you from talking shop. Okay, I just did. Quit it." "Therefore? Micky." "Then is there any difference?" Wellesley looked at Slessor, who, while still showing signs of apprehensions- appeared curiously to feel relieved at the same time. Wellesley nodded heavily. "Very well. Proceed on that basis, John. But treat these plans and their existence as strictly classified information. Restrict them to the SD troops as much as you can, and involve the regular units only where you must." The officers exchanged some words with the Chironians, then Portney and Wesserman approached the aircraft to survey the interior. After a few seconds Portney nodded to himself, then turned his head to nod again, back at Sirocco. Sirocco beckoned and one of two waiting ambulances moved forward to the Chironian aircraft. Two soldiers opened its rear doors. Four others climbed inside the aircraft and began? moving bodies.
