Her voice grew stronger, she summoned the darkness, pleaded,..At first he was overwhelmed with fierce fantasies of power and revenge: he would free the slaves, he would spellbind Gelluk and hurl him into the refining fire, he would bind him and blind him and leave him to breathe the fumes of quicksilver in that highest vault till he died... But when his thoughts settled down and began to run clearer, he knew that he could not defeat a wizard of great craft and power, even if that wizard was mad. If he had any hope it was to play on his madness, and lead the wizard to defeat himself..to her, and his presence was as easy as that of the trees and the rare birds and four-legged.The Patterner's voice had grown rougher, and he suddenly brushed the little design of pebbles apart with the palm of his hand..her own will, by her own means. As he muttered on to himself, routing out his heavy cloak, setting water to boil on the small fire he had lighted earlier, he wondered if he had always talked to himself, if he had talked all the time when Silence lived with him. The cat leapt there, and then there was milk, and the deep soft thrilling. There was no
