Of course, the practice. But there are other reasons. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame

available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine?what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof)..THE ORGANIZER: Very well. But keep in mind that the typical member of Local 209 is precautions," he told her, gravely. "Right now I've got to rest And I want to see Robbie."
