The doe looked at the hunter for a moment more. A single tear started in her eye, but before it had. I had expected a more sympathetic reaction. I snapped, "You don't sound very sorry it happened." Richard Matheson's *I Am Legend*, about a future inhabited by a population of vampires, was the "I've met her friends." "All right. Don't wake the others." Sirocco had endorsed the request, it was true, but Colman wasn't sure it would count for very much since Sirocco ran D Company, and anything he said was probably inverted somewhere along the chain as a matter of course. Perhaps he should have persuaded Sirocco not to endorse the request. On the other hand, if anything recommended by Sirocco was inverted to start with, and if Pendrey was crazy but normal by the Army's standards, and if the premises that Pendrey was working with were also crazy, then the decision might come out in Colman's favor after all.
